Let's hope the weather holds, ey?

Heed the Hon Treasurer's warning, it would be so sad not to get the Telltale now I am at long last getting the hang of this. Hopefully I have managed to get the megabytes down as well and it's in Microsoft Word

I cannot believe this glorious weather. Just as well I don't like sitting in the sun!

New Members

Welcome to all the new members who have joined the Beginners and the Juniors training courses. As the sailing weather have improved, we look forward to seeing you regularly on the water getting tuned up for the Club Regatta on 17/18 June. If you have any queries about crewing or use of the Club dinghies do not hesitate to ask any of the Instructors (assuming you're still on speaking terms after the capsized drill).

Happy sailing!

Jean Aitken

Extracts from 16 May committee meeting minutes

Training course All complete, now in to Thursdays for additional training/practice. Dawn has 6 juniors plus 2 new ones and same from last year ^ and really needs some help with this. 2 weeks ago was "thunderous Thursday" Dawn and Hamish plus others did a good job in gathering all safely in. Coastguard stood around with nothing to do.

Instructors Update (Jane Scott RYA) was well attended, with reps from Outwardbound, OSC& Glencoe Outdoor Centre.

RYA Inspection of LYC as a Teaching Establishment last week ^ all OK except for a few details relating to first aid kits etc.= Adrian

No Duffers, no entrants, 2 boats entered both the Brass Monkey and Junior Helm.

Consider running these junior events later in the season and possibly on Thursday evenings. No Duffers to have a new date fixed for this year.

There is an urgent need to trace owners of unidentifiable surfboards and other bits and equipment, left in the dinghy parks. Please make contact with a list of what's yours, whether identified or not. There is to be a Stock Take.

For Sale

The editor needs to know if a 'for sale' notice is to be continued or if the advertised item, boat, trailer or other, have been sold.

The rota

Last year the rota was sent to all on a spread sheet by email. I get set in old ways pretty smartly and never looked for it in the hand book.

I have now found it and read it and have to apologize for missed OOD duty. Oooops!

Sorry
